**The Future of Water:
Resilience, Efficiency & Sustainability**

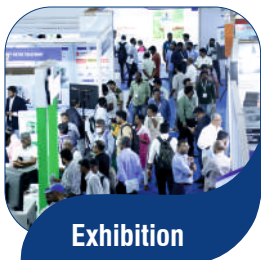

The Largest Premium Annual International Water & Wastewater Event

THE EXHIBITION

As the global focus on sustainable practices intensifies, the anticipation for the upcoming 20th Edition of Water Today's Water Expo 2027 – Chennai is at an all-time high. Set to commence from 25th to 27th February, this three-day premium event promises to be a pivotal gathering for industry leaders, innovators, and policymakers alike, converging to address the pressing challenges and opportunities within the water and wastewater treatment sector.

Water Expo 2026 aims to catalyse discussions and showcase cutting-edge technologies, strategies, and initiatives aimed at ensuring water security and resilience in an era of rapid urbanization and climate change. From advancements in water treatment and purification technologies to sustainable wastewater management practices, the expo will feature a comprehensive array of exhibits, conference, and interactive sessions tailored to meet the diverse needs of stakeholders across sectors.

This upcoming expo will focus on harnessing groundbreaking technologies, strategies, and new partnerships to ensure sustainable water management for future generations.

Exhibition

Explore an extensive exhibition featuring the latest products, services, and solutions from top companies and organizations in the water industry.

Conference

Engage with industry leaders, researchers, and policymakers through insightful keynote presentations, panel discussions, and technical sessions covering a wide range of topics

Networking

Connect with peers, experts, and potential collaborators during dedicated networking sessions, fostering new partnerships and opportunities.

Product Launch

Launch innovative water treatment solutions, products and technologies that are sustainable, and excel across various categories.

Key Focus Areas

Emerging Trends & Innovations

Sustainable Development Goals (SDGs) in Water

Water Conservation & Management

Wastewater Treatment & Reuse

REASONS TO EXHIBIT

- ★ Access a Highly Targeted Water Industry Audience
- ★ Showcase Your Technology to Qualified Buyers
- ★ Generate High-Value Business Leads
- ★ Strengthen Brand Visibility in the Water Industry
- ★ Network with Industry Leaders & Policymakers
- ★ Explore New Markets and Partnerships

KEY ACTIVITIES AT THE EXPO

During the B2B expo, several activities will be organized to engage attendees, foster networking, and promote knowledge exchange. Here are some key activities that visitors & participants can look forward to at the upcoming Water Today's Water Expo 2026.

Pre-Expo Water Conclave Series

Regional industry conclaves across major industrial hubs to discuss sector-specific water challenges, regulations, and emerging treatment technologies ahead of the expo.

Open Door Symposium

An interactive forum where industry experts share insights on innovations, case studies, and practical solutions for current water and wastewater challenges.

Live Demo & Product Launches

Exhibitors showcase new products, technologies, and live demonstrations of water treatment solutions and equipment.

Roundtable Discussions

Invite CEOs and high-level executives for private discussions on strategy, collaboration, and leadership.

Technology Showcase Pavilion

A dedicated zone highlighting innovative and emerging water technologies, smart water solutions, and sustainable treatment systems from leading companies.

H2O Connect – OEM Meet

A focused networking platform connecting OEMs, technology providers, system integrators, and distributors to explore partnerships and business collaborations.

International Conferences

Knowledge-driven conference sessions featuring global experts, policymakers, and industry leaders discussing trends, policies, and advanced water technologies.

Buyer–Seller Interactions

Dedicated meetings facilitating direct engagement between solution providers and project buyers, encouraging meaningful business discussions and partnerships.

Industry Networking & Partnership

An exclusive platform for industry leaders, associations, consultants, and decision-makers to connect, exchange ideas, and explore strategic collaborations.

International Delegation Meeting

Arrange meetings with international trade delegations to promote cross-border business opportunities.

EXHIBITOR PROFILE

- ✦ Water Treatment Systems
- ✦ Wastewater Treatment Technologies
- ✦ Effluent Treatment Plants (ETP)
- ✦ Sewage Treatment Plants (STP)
- ✦ Zero Liquid Discharge (ZLD) Systems
- ✦ Industrial Water Treatment Solutions
- ✦ Municipal Water Treatment Solutions
- ✦ Reverse Osmosis (RO) Systems
- ✦ Ultrafiltration (UF) Systems
- ✦ Nanofiltration (NF) Systems
- ✦ Membrane Technologies & Elements
- ✦ Desalination Technologies
- ✦ Water Purification Systems
- ✦ Filtration Systems & Filter Media
- ✦ Activated Carbon Solutions
- ✦ Ion Exchange Resins & Systems
- ✦ Water Softening Systems
- ✦ Clarifiers, Thickeners & Settlers
- ✦ Chemical Dosing Systems & Pumps
- ✦ Specialty Chemicals for Water Treatment
- ✦ Industrial Pumps & Pumping Systems
- ✦ Flow Meters & Flow Control Devices
- ✦ Water Transfer & Distribution Systems
- ✦ Pipes, Tubes & Fittings
- ✦ HDPE / PVC / FRP / DI Piping Systems
- ✦ Storage Tanks
- ✦ Water Infrastructure
- ✦ Pipeline Technology
- ✦ Water Storage Solutions
- ✦ Process Control & Automation Systems
- ✦ Smart Water Management Platforms
- ✦ Odour Control Systems

VISITORS

- ✦ Gain insights into the latest trends, challenges, and opportunities in the water sector.
- ✦ Connect with industry leaders, potential clients, and partners to expand your network.
- ✦ Discover innovative solutions and technologies shaping the future of wastewater management.
- ✦ Contribute to meaningful discussions and initiatives aimed at addressing global water issues.

SPONSORSHIPS

Stand out from your competitors at the event!
