A LANDMARK GATHERING OF THE WATER INDUSTRY

The 19th Edition of Water Today's Water Expo Chennai 2026 concluded successfully, reaffirming its position as one of India's most influential platforms for the water and wastewater industry. The three-day exhibition brought together technology providers, policymakers, water professionals, researchers, and industrial stakeholders under one roof to explore innovations, exchange knowledge, and strengthen business collaborations.

The expo witnessed remarkable participation from across India and international markets, creating a dynamic environment for industry networking, technology showcase, and sectoral discussions addressing the pressing challenges of water sustainability.

THIS YEAR'S EDITION WAS STRENGTHENED BY:

- 7 International Conferences
- Regional Water Conclave Series
- Startup and Innovation Pavilions
- Extensive industry partnerships

We sincerely thank our partners, exhibitors, speakers, and visitors for contributing to the success of this edition.

GRAND INAUGURATION

The expo was inaugurated by

Mr Mayank Mittal, IAS
Joint Managing Director,
Hyderabad Metro Water
Supply & Sewage Board

He attended as the Guest of Honour, inaugurating the exhibition alongside ten distinguished industry leaders and dignitaries

The ceremony included:

RIBBON CUTTING

LAMP LIGHTING

DIGNITARY WALKTHROUGH

INTERACTION WITH EXHIBITORS

During his address, he emphasised the importance of innovative water management, sustainable infrastructure, and collaborative solutions to address India's growing water challenges.

INTERNATIONAL CONFERENCE SERIES

Knowledge Platform for Industry

A major highlight of the expo was the 7 Parallel International Conferences, held across two days, bringing together leading industry experts and policymakers.

DAY	DATE	CONFERENCE TRACK	ASSOCIATION	THEME
DAY 1	26 Feb	Track 1	PHDCCI	Water & Waste Sustainability Summit 2026: Driving Circular Economy Solutions
DAY 2	27 Feb	Track 2	SICCI	From Compliance to Care: Strengthening Environment, Health & Safety in Wastewater Operations Industries
DAY 1	26 Feb	Track 3	MCCI	Smart, Secure & Sustainable Water Infrastructure for Industries
DAY 1	26 Feb	Track 4	SCI HUB	Innovations in Practice
DAY 2	27 Feb	Track 5	NSWAI	Innovative Technologies for Municipal Solid Waste
DAY 2	27 Feb	Track 6	IICHe & ICCW	Sustainable Water & Wastewater Management in Process Industries, Healthcare & Research
DAY 2	27 Feb	Track 7	SCI HUB	Advancing Innovations

The conferences witnessed 75+ distinguished speakers and panelists, who shared insights on emerging technologies, policy frameworks, and operational best practices. Discussions extended beyond water treatment, addressing circularity, solid waste management, industrial sustainability, and innovation ecosystems.

PRE-EXPO WATER CONCLAVE SERIES

The Water Today's Water Conclaves, held at various key Industrial cities, brought together leading voices and innovators in water management and sustainability. The conclave centered on cutting-edge technologies and practices in water recycling, Zero Liquid Discharge (ZLD), effluent treatment, and smart automation for Large end - user industries. The Conclave was strong business platform exclusively for business networking, lead generation and meeting decision makers.

Key highlights included:

- Setting the tone for a strong emphasis on policy-driven water sustainability in industries emphasis on a strategic shift to latest cost-efficient Technologies that are crucial for Industrial compliance and water reuse.
 - Companies presented innovations in effluent treatment for various industries highlighting advanced purification techniques.
 - Companies introduced smart water Management & IoT-based automation in sewerage plants,ETP's & WWTP's showcasing the role of smart tech in water infrastructure.
 - Automation companies provided insights into WTP plant upgrades, focusing on efficient valve retrofitting.
 - Membrane companies explored greywater recycling in hotels & resorts, encouraging sustainable tourism infrastructure.
 - Companies addressed odour control in ETPs and hazardous sites, aligning with public health and environmental standards.
- Overall, the conclaves underscored future-forward practices in water conservation, industry-specific sustainability strategies, and integration of smart automation—setting the path for a water-secure tomorrow

CITY	FOCUS INDUSTRY
TUTICORIN	Chemicals,Fertilizers, Petrochemical, Thermopower
KANCHEEPURAM	Tanneries,Textiles, Automobiles
TIRUPUR	Textiles, Dye Processing Sectors
VIZAG	Chemical, Pharma,Steel & Textile Sectors

These conclaves created regional dialogue on water challenges, helping industries understand emerging regulations, treatment technologies, and sustainability strategies.The conclave series helped build strong momentum and industry awareness ahead of the Chennai Expo.

EXHIBITOR FEEDBACK & SATISFACTION

Participating companies expressed strong satisfaction with the overall event quality, visitor engagement, and business opportunities.

Exhibitor Feedback on Overall Expo Quality (%)

Exhibitor Feedback Metrics

- 48% rated the expo as Excellent
- 34% rated it Very Good
- 15% rated it Good
- 3% rated it Average

Key Exhibitor Takeaways

- Strong decision-maker presence
- Productive B2B interactions
- High industry relevance
- Valuable exposure to new markets

VISITOR FEEDBACK

Visitor Feedback

- 44% – Excellent
- 36% – Very Good
- 15% – Good
- 5% – Average

Visitors particularly appreciated:

- Comprehensive technology showcase
- Direct interaction with solution providers
- Insightful conferences and panel discussions
- Startup innovations and new technologies

CONFERENCE DELEGATE & SPEAKER FEEDBACK

Conference delegates and speakers praised the event for providing a strong knowledge-sharing platform.

Key Highlights

- High-quality industry panel discussions
- Practical insights on compliance and sustainability
- Opportunities for collaboration between industry and academia
- Meaningful networking with water professionals

Conference Feedback

- Highly Relevant
- Informative
- Industry-Focused
